

What Does Renters Insurance Cover?

A renters insurance will protect your property and belongings in case any unexpected mishap occurs at your rental home.

Personal Property Coverage

It is a typical component of renters insurance which may help to cover the cost of replacing your possessions (furniture, electronics, clothing etc.) if they are unpredictably damaged or ruined. The coverage includes recovery from -

Fire

Theft

Water Damage

Liability Coverage

If you are found legally responsible for causing an injury or damaging the property of other people, your renters insurance will pay for all the liability expenses. This policy includes coverage for -

Paying The Lawyer

Cost Of Property Repairs

Medical Bill Payments

Additional Living Expenses

In case your rental home is damaged and you need a temporary accommodation, renters insurance can help you tackle the situation. This coverage includes-

Paying Hotel Bills

Laundry Expenses

Paying For Meals
