

Home Insurance

Do's & Dont's

Buying a home is a dream come true & since it involves a huge investment, you must get your home insured to avoid any risks. Here are some do's & dont's to help you in your search.

Do's

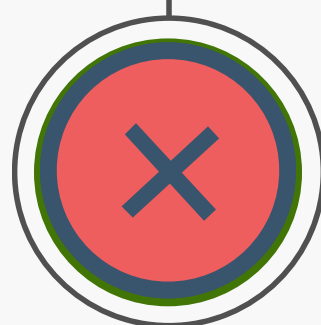

Take proper time to search for an ideal home insurance package.

Check whether you are eligible for special rates or discounts.

Ensure that the insurance policy covers theft and burglary damage.

Keep a note on the time limit within which a claim can be filed.

Dont's

Pay for the land, instead insure only the belongings that you own.

Bundle your home insurance with other insurance services.

Lower your deductible, instead raise them as high as you can afford.

Opt for cheap policy to save money, go for a policy with quality coverage.
